**“THEY CAME  
TO STAY”**

Date: SEPTEMBER 18-20

COLBY, KANSAS

We are looking so forward to hosting the State Associations Annual Conference in Colby this year. We have lots of good food and fun planned for you.

It is a time we all need to come together and share our Obstacles and Opportunities. I hope to put together a panel discussion to address some of our new challenges instead of a speaker at the Business Meeting. I realize budgets are tight and time is too but now, more than ever, we need to make it happen. When choosing a theme for this year "They Came to Stay" just seemed appropriate.

Sandy
